

Jolly Ranchers

Instructions:

- Read the task.
- Work on the task alone for two minutes, then in a small group.
- When completed, share your work with others.

Candy Jar

A candy jar contains 5 Jolly Ranchers and 13 Jawbreakers. Suppose you had a new candy jar with the same ratio of Jolly Ranchers to Jawbreakers, but it contained 100 Jolly Ranchers. How many Jawbreakers would you have? Explain how you know.

Complete the task in as many ways as you can.

When done, share your work with a neighbor.
