

## Covid-19 Policy for CMC-S Conference

In order to hold an amazing conference that is safe for all, we are complying with the Covid-19 precautions set by the State of California and the City of Palm Springs.

All attendees must:

- 1) show proof of vaccination, OR
- 2) proof of a negative Covid-19 test 72 hours prior to attending the Conference
- 3) wear a mask except while eating or drinking

CMC will reach out to all registered attendees for each to send a scanned version of proof of vaccination. Alternatively, you must show proof of a negative Covid19 test taken 72 hours prior to the conference when checking in at the conference to receive your badge and materials.

All facilities being used for the conference are fully complying with rules set by the State of California and the City of Palm Springs.

- Nearly 90% of the eligible population of the city of Palm Springs is either partially or fully vaccinated.
- The staff at the Convention Center is 100% vaccinated.
- All employees at all facilities being used by the conference will wear masks regardless of their vaccination status

Additional information about the measures being taken by the city of Palm Springs can be found [here](#).
